Camp Seed was placed upon my heart while in a deer stand. I was confused and lost not sure what to do after retirement from 20 years of service in the Marine Corps. God gave me a dream about opening a camp. After hours of prayer and meditation that dream became a mission.

I shared this dream with a friend and it has become a passion. God has placed upon my heart, Camp Seed. God has a plan for everyone and I pray that Camp Seed can be a place where people can discover that plan and enjoy God's country.

Camp Seed is passionately burning inside me. In faith, I believe He will provide all of our needs. This is the reason that I exist and with God's help and yours it can become OUR reality.

Thank you for sharing this vision with me. Let's make it happen!

Blessings,
Todd Isenburg

About Camp Seed

Camp Seed aims to create an environment where families can come together for quality time and make memories. Couples, groups and individuals will find their relationship with others and God in seclusion, while using our facilities to run their own retreats or hunting weekends, or attend one of our programmed hunting weekends.

Mission

Camp Seed will, Plant a Seed Today,
for a Harvest Tomorrow,
by cultivating the future of children
through adults with Christian values
and principles.

The Hunting Ranch

Many parents in Southern Alabama desire the opportunity to take their children hunting. To hunt in Alabama you either have to belong to a hunting club: which can be cost prohibitive for many, own property, or hunt on the over hunted public lands. Children at Camp Seed are given the opportunity to hunt with their parents in a safe, fun, and alcohol free environment. These hunts have a lasting impact on the relationship of the families who take part in them.
